BOL BOL RAANI, ITTA ITTA AANI

A woman blessed with mystical powers has always struggled to live a “normal” life. Different from those around her, she often finds herself unaccepted by society. This film offers a glimpse into the world of someone who exists within her own universe resilient and powerful, yet vulnerable in moments when the world refuses to understand her. "Bol Bol Raani, Itta Itta Aani" tells the story of one such woman on a deeply personal journey of self discovery, as she learns to understand, accept, and come to terms with who she truly is.

ALL PLAY PRODUCTIONS

All Play Productions has been created as a platform to explore the world of theatre and cinema and it is based in Mumbai, India. After extensively training over 600 rural and tribal children in theatre and successfully mounting more than 50 productions, All Play Productions has now ventured into filmmaking. We are proud to bring the talent we have nurtured onto the celluloid screen with great care and dedication. We are deeply grateful for the support and guidance of Mr. Sunil Rane, Founder of Atharva University, Mumbai. We also sincerely appreciate the efforts and commitment of the entire team, the staff and the students of Atharva University Mumbai and Atharva School of Filmmaking. All Play Productions dreams of continuing to hone the skills and talents of young individuals and creating a meaningful mark in the vast world of entertainment. At All Play Productions, we believe this is just the beginning.
